What NOT to Bring (and why):

- **Suitcases with wheels:** Avoid bringing travel bags or suitcases with wheels as our rock pathways are very rough.
- **Laptops, phones, tablets or other cool gadgets:** We believe that everyone needs to unplug once in a while. Leaving the outside world where it belongs (outside) and tuning into our natural surrounding and each other is what we are about.
- **Food:** We have great food and lots of it. Living in the jungle, we also tend to have quite a few bugs that love to eat food left in yurts. For this reason, we kindly ask that no food (not even sealed snacks) are brought into your yurts.
- **Money:** We don't encourage participants to bring large amounts of cash. However, Rp. 300,000 will buy you a combination of Green Camp's shirt and water bottle; shirt and hat; shirt and canvas bag.
